Languages: PHP, Python, JavaScript, HTML, CSS.

Frameworks & Libraries: Laravel, Livewire, React, FastAPI, Tailwind CSS.

Databases: MySQL, SQLite.

Developer Tools: Git, GitHub, Vite, Postman, REST APIs.

Design & Media: Figma, UI/UX Design, Adobe Photoshop, Adobe Premiere Pro, DaVinci Resolve, Blender.

IoT Water Quality Monitoring Platform — 2024 – 2026

- Developed a full-stack web monitoring platform using Laravel 11 and Livewire to ingest, process, and display real-time telemetry from remote water sensor units.
- Deployed a scikit-learn Decision Tree model in a FastAPI microservice, processing pH, dissolved oxygen, salinity, and temperature to achieve 93.5% accuracy in aquaculture recommendations.
- Engineered a fault-tolerant data pipeline with Bearer-authenticated REST APIs, WebSocket live broadcasting via Laravel Reverb, and offline database synchronization.
- Deployed the platform in field environments with the Municipal Agriculture Office, scoring an Excellent 4.84/5.0 on ISO/IEC 25010 software quality benchmarks.

Relevant Experience

SP MADRID & ASSOCIATES LAW FIRM — Parañaque City, Philippines
AI Specialist & UI/UX Designer — Jul – Sep 2024

- Directed an AI photo restoration pipeline across 4 structured prompt engineering stages, coordinating 4 team members to shorten stakeholder review cycles.
- Designed, prototyped, and tested the "Read AI" web platform using Figma and Bubble.io, validating user task flows through structured usability testing.
- Established a centralized digital asset repository, standardizing brand image quality and accelerating asset handoff to the media team.

CONTENT CREATOR & DIGITAL MARKETING SPECIALIST — 2024 – Present
Self-Employed

- Produced short-form content for TikTok and Instagram focused on fitness, lifestyle, and self-development, using hooks, storytelling, and retention-focused editing strategies.
- Built brand collaboration experience through affiliate marketing, paid campaigns, product features, and UGC partnerships.
- Tracked content performance using views, watch time, and audience retention metrics to optimize future distribution.

Leadership

ARC COMMUNITY — Cavite, Philippines
Staff Member — Dec 2024 – 2026

- Managed and moderated community discussions, monitoring member activity, addressing questions, and helping maintain community guidelines.
- Supported the organization and execution of in-person and virtual meetups, contributing to member engagement and community growth.
- Created and shared community updates, event announcements, and informational media to keep members engaged.
